

Week of
November 13

Dear Parents,

This week we will be working with the same spelling words and there will be a test on Friday.

Also, math test will be on Wednesday. Please review the chapter with your child. The test is exactly what we cover in that chapter, stress that your child listens to all the directions and not go ahead. Test taking strategy is just as important as the content of the chapter.

**Please ask your child if they have sharpened pencils for the week/day and that they have the basic color crayons. We have to give out or sharpen pencils and crayons very often. Also, some parents sent in many glue sticks (thank you) and we have been having them available for the class to share. We are using them a lot for cut and paste activities and are running low. It's great if your child could always have a spare.

Spelling words: 1. he 2. me 3. we 4. be 5. she 6. I 7. as 8. has 9. had 10. us

Homework for the week: (*refer to the words above for spelling*)

Tuesday:
