

December 10<sup>th</sup>

Dear Parents,

Because of pajama day and several absences the spelling test is rescheduled for Wednesday.

*Just a helpful hint about Social Studies:* We read our studies weekly newspaper either Monday or Tuesday. When your child receives it they are suppose to bring it home that day. It is helpful if you let them explain the article to you. This is a good practice to help them with their conversational skills and their background knowledge. If they are asked a question about that topic, because you've discussed it, they will be more likely to contribute to our discussions.

New spelling words will be given out when we return after the Christmas break. For now, we will be focusing on nouns. There will be no test on these words.
