

Homework Week
Of 9/9/19

Dear Parents,

We are off to our first full week. Please understand that the children are getting use to the routine and that it may take a while for them to not forget things that they need. Just keep encouraging them and they will do fine. They will soon become responsible and that is the most important thing they should be learning in Kindergarten.

Just some notes or reminders:

*Please send in \$6 for studies weekly newspaper subscription and also \$8 for four handwriting notebooks. The children will receive a different newspaper every week and the notebooks should last a good long time if they are used correctly. Please use front and back for homework so the books *will* last long.

*Gym Wednesday. Wear gym suit to class. Sneakers only. Girls hair tied back and no jewelry.

*Please send in water bottle for your child that they could drink for the day. They really should not be going to the water fountain several times.

*Snack should be in a separate bag and a disposable one please! (brown bag) Any lunch or lunch time snacks could be in a lunch box. They are kept in two different places.

Monday

Language arts: We will begin with the letter A. Use the format shown as they should be doing four upper case A's across and then down. Use the bottom of the page for some cut out pictures of things that begin with A.

Math: pgs. 17 & 18

Tuesday

Language arts: Trace letter B also pictures for the letter

Math: 23 & 24

Wednesday

Language arts: letter C and pictures

Math: 29 & 30

Thursday

Language arts: letter D and pictures

Math: 35 & 36

Note: Please check out what your child did in math during the day which are the pages before the Homework. If they are incomplete, please finish it with your child. HW will always be the two pages after our day lesson.

Friday: no homework, have a nice weekend!

Mrs. Kane & Ms. Eliscar
