

Dear Parents,

A few reminders then homework:

This year, with the new free lunch program in place, we need to be clear on some things. If your child is bringing in something that is going to be eaten at lunch time in addition to or instead of the free lunch, it must be in a labeled package with their name on it and the word lunch. Snack should be in a brown paper back and totally disposable.

We are also having problems with water bottles. The type of container that has a collapsible straw is causing many issues as the kids are not closing them properly. They are heavy, they are falling and the kids are playing with them. We have had quite a few spills and some issues with people slipping on the water. Please be considerate when sending in water bottles. The best are regular bottled water and please put your child's name on them. Stick to medium size. A spout top is the best and safest for them to use; they can't put that lid into their mouth.

**PLEASE SEND IN:** 1 **marble** notebook with your child tomorrow.

Sight words: (only 5 this time) 1.) I 2.) am 3.) the 4.) it 5.) is

Monday

Language arts: letter E Trace the letters In pencil also include on the opposite page pictures for letter E

Spelling: write words 1 to 5 three times each across the page

Math: 41 & 42

Tuesday

Language arts: Trace letter F also pictures for the letter

Math: 47 & 48

Wednesday

Language arts: letter G and pictures

Math: 53 & 54

Thursday

Language arts: letter H and pictures

Reading: Fill in and color :Book Report Sheet

Math: 59 & 60

Friday: no homework, have a nice weekend!

Please do not  
put heavily perfumed  
toiletries on your child  
or perfumed sanitizer.  
We have children  
with severe allergies  
and asthma... these  
smells trigger attacks  
Thank you

Mrs. Kane and  
Ms. Eliscar
