

SAIN⁺ MARK CATHOLIC ACADEMY

A guiding light for children today.

May 26, 2021

Dear Families:

Today is the last Wednesday of the month of May. I'm sure many of our students are now counting down the days until summer vacation. (It's 30 days, in case you were wondering.) Although there's only a few weeks left in the school year, the month of June is going to be a busy one at Saint Mark Catholic Academy...just take a look at the calendar in today's folder!

Today was a special milestone event for our eighth graders; they received their class rings! Their final day of classes, Monday, June 7th, is just a few days away, when they take their New York State Science Exam. It's difficult to believe that in just a few weeks, they will be alumni of Saint Mark Catholic Academy!

Just as June is a special time for our oldest students, it's also a special time for our youngest learners. In a few weeks, our nursery, pre-k, and kindergarten students will "step-up." I know all of our children are practicing daily and our early childhood teachers are working diligently to make sure these are memorable and exciting days!

Finally, we close out the month of May with Memorial Day on Monday. As we get ready for an exciting month of June, let's take a moment to pause and honor the members of our military who have died in defense of our country and its freedoms. *"Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. America will never forget their sacrifices."* — President Harry S. Truman

Sincerely,

Mr. Mark Wilson
Principal
