

Dear New First Graders and Parents,

I hope this letter finds everyone feeling well and healthy. These last few months have been quite challenging emotionally, physically and socially. I hope this summer everyone can get out to exercise , have fun and enjoy the summer weather.

Along with this letter are three choice boards for all incoming first grade students to complete before returning to school. Each subject board has 20 tasks on it, you only have to **complete 10 tasks** .

Reading/ Writing - 10 tasks

Math - 10 tasks

Science/Social Studies - 10 tasks

Students choose which tasks they want to complete. Any writing or drawing is to be done on separate paper and then stapled to that subject choice board. As you complete a task lightly color that box. All three Choice Boards are due on the **first day of school** in September. Each board will be worth 100 points for that subject.

We cannot wait to meet you in September!!!!

Remember to practice your reading over the summer!

First Grade Supply List

- 1 Hard plastic pencil box (small one not the long one)
- 10 Sharpened Pencils (Please no sharpeners in school)
- 1 Pack of 24 crayons
- 2 Two pocket folders (1 for classwork/ 1 for homework)
