

Welcome SMCA new 3rd Graders! My name is Ms. Aloise, and I am so excited to be your teacher this year! We are going to have a lot of fun in the 3rd Grade. This school year is going to be very exciting and busy as we learn and grow together.

Over the summer you are going to be working on a Math Menu and ELA Menu I have put together for you. Please dedicate one notebook for the work. Each week you are going to pick 1 task from each menu. When I collect the notebook on the 1st day of school, you should have 9 completed tasks from the Math Menu and 9 completed tasks from the ELA Menu. You will be required to read "*Freckle Juice*" by Judy Blume to complete some of the tasks for ELA .

I have included a free pdf to book as well

This year is going to be an adventure. I hope you are just as excited as I am to begin the school year. See you on the first day of school!

Sincerely,
Ms. Aloise
