

June 8, 2022

Dear Families:

My letter to you today is one of great thanks! We were overwhelmed by our school community's generous support of the 2022 Walk-a-Thon! We raised a grand total of **\$33,542!** Wow! Thanks to you, we will be able to upgrade several Smart Boards in our classrooms. In fact, since we exceeded our goal, we anticipate being able to upgrade all of our classrooms by September!

What was equally wonderful was the great family and parent turnout we had for the Walk-a-Thon! It was great to see so many of our students being able to walk alongside members of their family—all in support of our school! We truly are a school family!

We also had a great time at our first-annual Family Outdoor Movie Night! We hosted this free event for all members of school community in gratitude and appreciation for a successful school year! The night's feature was *The Bad Guys*. There were plenty of drinks and snacks available for purchase—the popcorn machine was going all night! Thank you everyone who helped make the night a great success! We look forward to hosting more events like this in future!

Again, on behalf of everyone at Saint Mark Catholic Academy, I cannot truly express my gratitude and appreciation for everyone's support. SMCA continues to grow and thrive because of all you! We couldn't do it without you!

Sincerely,

Mr. Mark Wilson  
Principal

# ORDER YOUR CHILD'S SUMMER ASSIGNMENT WORKBOOK TODAY!

We are taking a different approach to summer assignments this year.

**Rather than send home packets, students will be completing summer workbooks.**

- These workbooks will be for students entering kindergarten through eighth grade.
- The workbooks range across multiple subject areas.
- These workbooks are specifically designed for use over the summer.
  - They're paginated and laid out, so students complete a little at a time.
- We have selected the workbooks, and families will purchase them directly from Saint Mark Catholic Academy.
- Some teachers may assign a summer reading book, in addition to the workbook. This is at their own discretion.
- You will receive a letter from your child's new teacher with specific directions and additional information about September.

**THE COST OF EACH WORKBOOK IS \$12 PER CHILD.**

# TAR BEACH DAY!

Friday, June 17

## What is TAR BEACH?

Tar Beach is an annual tradition at Saint Mark, when students from grades 1 through 7 gather in the school yard for some food, fun, and friendship! Students can dress down and bring in a towel to relax on our "tar beach." We have a DJ who plays music and provides some fun games and activities.

## Who participates in TAR BEACH?

Traditionally, grades 1 to 7 participate.

## What is the cost of TAR BEACH?

We are asking for a donation of **\$20 per student**. This will cover the cost of the snacks and drinks; it also goes toward a year-end gift for each homeroom teacher.

We ask that you begin submitting your Tar Beach donation as soon as possible, but no later than **June 13, 2022**. We need time to purchase the snacks and drinks.

Please send in all Tar Beach donations in an envelope with your child's name, grade, and TAR BEACH written clearly.

If you have any questions, please contact the school office

Thank you!
